

January 1, 2022

Dear Coach/Athletic Director,

We will be hosting two lotteries. The first lottery, Lottery A is for teams with 50% or more Des Peres Residents. The second lottery, Lottery B, is for teams with less than 50% Des Peres Residents on their team. Included in this packet is a great deal of information and details explaining each lottery's procedures, a timeline so you don't miss any deadlines, and your application to be included in the lottery for a season permit.

Lottery applications and rosters will be due to The Lodge Des Peres office by 6:00 p.m. on February 13, 2022. Please be sure that these packets get returned to my attention. Both lotteries will be held on Tuesday, February 15, 2022 at 6:00 p.m. at The Lodge. We will host Lottery A and then we will host Lottery B immediately following Lottery A. After both lotteries are complete, teams may then sign up for any additional open field times. Permits will begin on March 21 and continue through July 24, 2022.

Please do not hesitate to contact me with additional questions.

Sincerely,

Kristen Copeland

LOTTERY A PROCEDURES

1. Only teams with 50% or more Residents on their team are eligible for Lottery A.
2. Applications and rosters must be received by the deadline, **Sunday, February 13, 2022 at 6 p.m.**, to be included in Lottery A. **Late applications will be handled on a first come, first served basis after Lottery A and B.**
3. Each team may submit only one application for one season permit. If there are any fields available after Lottery B is completed, teams may apply for another permit.
4. Each application will be assigned a number upon receipt.
5. Numbers will be randomly drawn for field selection on **Tuesday, February 15, 2022 beginning at 6 p.m.**
6. The first number drawn will have the first selection of available field time. Once a time slot is chosen, another number will be drawn. This will continue until all applications have been drawn.
7. After all applications have been drawn and field time selected, the schedule is complete.
8. Coaches may trade time slots among themselves prior to paying the permit fee. Field rules and policies still apply to all changes. Department staff must approve all changes.
9. To complete the lottery, all coaches must pay the permit fee. Selected field time and Temporary permits are not valid until payment is received.
10. Permits will not be sent until your Official League Rosters have been received by **March 13, 2022.**
11. Once your Official Roster is validated, you will receive an Official Field Permit via e-mail for **March 21 – July 24, 2022.**

After reviewing your Official League Roster, any discrepancies that would have changed the lottery and/or your team definition (resident vs. non-resident) will result in forfeiture of the team's field time and permit fee.

LOTTERY B PROCEDURES

4. Applications will be selected on **Tuesday, February 15, 2022 at 6 p.m. at The Lodge** according to the number of Residents on a team. The team with the most Residents will receive first selection, and so on. This lottery will occur immediately following the resident lottery which is held at 6 p.m. that night.
5. Teams with exactly the same number of Residents per team will be randomly drawn at the appropriate time to choose their field time.
6. After all applications have been drawn and field time selected, the schedule is complete.
