

May 1, 2022

Dear Soccer Director,

Soccer season is just around the corner. We will be using a field lottery system to allocate fields again this year.

Just to refresh the changes effective 2015, St. Clement of Rome, St. Paul's Lutheran and St. Gerard Majella are designated as Resident organizations. This will benefit St. Clement, St. Paul's and St. Gerard in two ways: your organization will be able to reserve all of your season permits at the Resident rate of \$330 and you will no longer need to submit/resubmit rosters for verification. No more rosters: you will only need to submit field permit applications!

There will also be a \$25 fee for each field permit application submitted. You can only submit one field request per application. The application fee will be deducted from the cost of each field reservation that is made during the lottery. The application fee will be forfeited for any unused applications submitted for the lottery. The purpose of the fee is to deter any organization from submitting more applications than they need, thereby giving them an advantage in the lottery.

As we have in the past, we will host two lotteries. The first lottery, Lottery A, will include approved Resident organizations and teams with 50% or more Des Peres Residents. The second lottery, Lottery B, is for teams with less than 50% Des Peres Residents on their team.

Please review the remainder of this packet as it contains a great deal of information regarding the lottery procedures, a timeline so you don't miss any deadlines, and your application to be included in the lottery for a season field permit.

Lottery applications (and rosters, where applicable) will be due to The Lodge Des Peres office by 6:00 p.m. on Sunday, June 12, 2022. Please be sure that these packets get returned to my attention. Both lotteries will be held on Tuesday, June 14, 2022 at 5:30 p.m. at The Lodge. We will host Lottery A followed immediately by Lottery B. After both lotteries are complete, teams may sign up for any additional open field times. Permits will begin on August 8 and continue through November 6, 2022.

Please do not hesitate to contact me with additional questions.

Sincerely,

Kristen Copeland
